Deluxe Commercial Chips Tile

A classic chips tile, asbestos free, in eleven designs.

With a reputation for being both practical and economical, Deluxe commercial chips tile is classic floor material. Made of an environmentally-friendly vinyl compound with no asbestos, this floor tile comes in a convenient dimension (300mm x 300mm) and is extremely practical due to its durability and fire-resistant qualities. This tile is easy to clean and easy to maintain, with almost no deterioration of colour or pattern, even in tough and abrasive conditions.
